¹ All deposits are initially placed in a special daily interest investment until the next issue date. The sum accumulated on that date, called the initial date, constitutes the initial deposit and will be invested in **Guarantee Advantage**, provided the minimum deposit requirement is met. If the investor chooses to set up a pre-authorized debit agreement, the term may be longer and the maturity date may occur later than initially stated, depending on the initial date.

² Eligible for LIFs only under Quebec law.

³ No periodic payments for a RRIF or a LIF. Your representative can show you how to generate RRIF income by allocating funds between **Guarantee Advantage** and a redeemable term investment.

⁴ This is for your information only and does not constitute a legal opinion. The exemption from seizure rules can differ by province and can be very complex. Contracts are subject to seizure if it can be proven that the plan was set up to avoid paying off a debt or if the owner goes bankrupt within one year of designating a beneficiary. We recommend that you contact a lawyer of notary to review your specific situation.

The information contained herein is subject to change without notice. Desjardins Insurance reserves the right to suspend deposits in **Guarantee Advantage** for the October 2026 campaign or to postpone the initial date.
