Who is MIB, LLC?

MIB, LLC (“MIB”) operates an information exchange on behalf of insurance companies that are members of MIB Group Inc. and with operations in Canada and the United States. The organization operates a database of consumer reports, which are comprised of information contributed by member insurance companies.

What information do we exchange, and why?

Like almost every Canadian insurer that offers life and health insurance, Desjardins Insurance is a member of MIB and can exchange information about you with the organization.

MIB makes it possible to verify the accuracy and completeness of the information provided by clients of member insurance companies.

- A dangerous hobby
- A poor driving record
- Alcohol or drug use
- A criminal record

The information we contribute to MIB then becomes available to other MIB member insurance companies. MIB generally keeps this information on file for 7 years.

When do we exchange this information?

When we receive:

- An insurance application about you
- A claim

Also, if another member company receives an insurance application about you within 2 years following our receipt of this insurance application, we may share information with MIB for the benefit of that member company.

Your personal information is protected

MIB is bound by the same personal information confidentiality requirements as other Canadian insurers and must respect all federal and provincial privacy laws.

Since MIB is based in the United States, your information could be transferred outside Canada. Note that MIB must also comply with US privacy laws.
